

IMPORTANT THINGS TO REMEMBER

- At all times when you are on the lease, you must have your "Tag" hanging on your rear view mirror of the vehicle you are in. ALL "Tags" must have the name(s) of the hunter(s) written legibly on their "Tags". *For Example*, if you have 3 hunter's hunting out of your vehicle you will need 3 "Tags" hanging on your rear view mirror, each "Tag" having the name of the hunter written on it who is hunting that day.
- If you pay for someone else's spot on the lease, take all the paperwork with you. Then they can fax or mail back their signed releases. You may also take paperwork for a guest if you don't pay for their spot. They can mail us the signed agreements along with their check, and we will mail them their tag, and maps.
- If you pay for a guest, please put your name on top of their documents that they are a guest of yours.
- There is no charge for a minor under the age of sixteen, if they are hunting with a parent, but they will still need to have signed releases by their guardians *and* the minor.
- No Hunting around homes....
- There will be ***NO DRIVING in any fields if they are muddy. Fields are considered muddy if mud picks up on your tires.*** Hunting privileges will be lost if you are caught driving in muddy fields. If fields are not muddy, please drive along the edges of the fields. This helps us out, as many times it is hard to get a crop to grow in areas where there is soil compaction.
- The barbeque will be held Saturday, September 5 (rain or shine) under the pavilion at the Leonard City Park. All paid hunters will receive one free pass. For all others, the cost will be \$9.00 plate. We will raffle off a shotgun. The time of this event: 11:30AM - 1:00PM. **You must RSVP for the barbeque by Friday, August 25 By Email or Phone Call to Vernon Richardson 903-496-7747 or Vernon@Rguns.com**
- No rifles on lease before 10/31/09.
- See * on your Maps...These fields only can be hunted until October 31, 2009. The remainder may be hunted up until February 1, 2010 with certain restrictions. This includes but not limited to, no deer hunting, and all hunter's will need to confirm by phone or email before any hunter comes up and hunts after 10/31/2009. Before this date there will be no confirmation requirement.
- Payment Method: Cash, Check, or money order made out to *David Norman LLC*
